Report

Seminar on 'Awareness about Thelesamia'

Date: 3rd August, 2018

Time: 10:00 am to 12:00 noon

On 3rd August 2018, the NSS Unit and Women Cell of MBICT in collaboration of Gujarat Red Cross Society and Lions Club, Anand organized a very informative seminar on "Awareness about Thalassemia" at MBICT, New Vidyanagar. The zonal coordinator of Red Cross Society Mr Upendra Bhoi induced a very amusing conversation on marriage criterias in India. Then he emphasized about the disease through a subtle video. There are 3 categories namely minor, normal and major. The harmful repercussion of the disease and the financial aspect was emphasized in detail. Both the organizations are trying their level best to eradicate thalassemia i.e. major level from Gujarat as many kids and their families have suffered a lot due to this deadly disease. A free of cost blood test was conducted by MBICT for the students to avoid any future symptoms.

Dr. Darshana J Prajapati
Program Officer, NSS Unit

Associate Professor in Mathematics
