

## **REPORT OF COLLEGE WOMEN DEVELOPMENT CELL ACTIVITY ON 2<sup>ND</sup> AUGUST 2018**

College Women Development Cell under the umbrella of Equal Opportunity Cell of our college had arranged a talk on Thursday, 2<sup>nd</sup> August, 2018 at 4.00 p.m. in our college auditorium.

Well known academician and retired principal of S. M. Patel College of Home Science, Dr. Rekha Emanuel madam was invited. She delivered the talk on "**Importance of Education in Women**". She touched upon various aspects of womanhood to substantiate her talk. Her unique and lucid way of communication was the highlight of the programme. All the girl students present in the audience were delighted to listen to her deliberations. More than 160 girl students with female staff members had attended the talk.

On this occasion Principal of the college and President of the Madhyastha Samiti Dr. Basudeb Bakshi sir, Vice president of the Madhyastha Samiti and Head, Department of Computer Science, Mrs. Shreya Bhavsar, Co-ordinator Non Academic Forum of CVM, Dr. Yogesh Patel, IQAC co-ordinator of our college, Secretary of Women Cell of CVM and Head, Department of Biological and Environmental Science Dr. Rita N. Kumar and General Secretary of our college Mr. Darshit Shah graced the occasion by their presence. Heads of various departments also remained present.

Principal, Dr. Basudeb Bakshi and Dr. Yogesh Patel addressed the gathering related to the occasion. Advisor of the Equal Opportunity Cell Dr. Shveta Joshi briefed the girl students about the objectives and planning of activities of the cell throughout the year. Convener of the College Women Development Cell, Dr. Isha Desai introduced the speaker Dr. Rekha Emanuel. Dr. Usha Verma while concluding the function presented vote of thanks. Student secretaries Miss Helly Bhavsar and Miss Prachi Bhatt along with active members Miss Lakshita Sanchora, Miss Soumya Nair and Miss Palak Patel worked whole heartedly to make the programme successful.
